

An aerial photograph of a large industrial facility, likely a refinery or chemical plant, featuring numerous large cylindrical storage tanks. The tanks are arranged in rows, and the image is partially overlaid with a semi-transparent green graphic on the left side. The text 'TECHNICAL DATASHEETS' is prominently displayed in white, bold, italicized font across the center of the image.

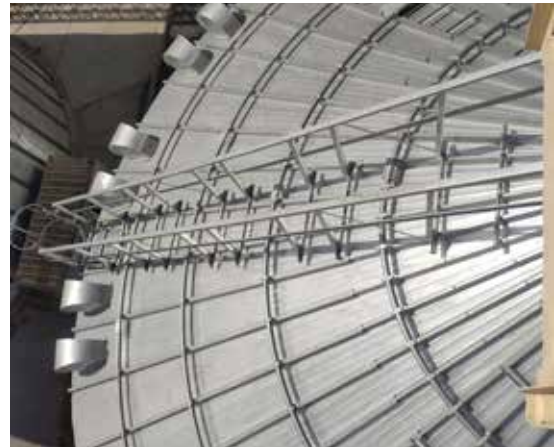

***TECHNICAL  
DATASHEETS***

**A.9 - AGI EMEA ROOF LADDERS****1. AGI EMEA Roof ladders with angular rungs**

The Galvanized standard roof ladder is supplied with double handrails and angular rungs as steps, to provide access from eave to center cap. A front landing is also supplied to provide a safe transition from the vertical ladder to the roof ladder of the silo. AGI EMEA roof ladder can be upgraded to reach the catwalk from the roof peak.
